

*Note: This Report **shows both** the Points awarded during the Holmen Invitational HS Rodeo TEAM competition by contestants from Minnesota and Wisconsin, and also shows the accumulative points for Wisconsin's contestants that will be carried through the rodeo year to the Wisconsin State Finals.*

*The column labeled **"Holmen Invitational Points"** are those points awarded only during the TEAM competition at Holmen. They count only for the Holmen rodeo's weekend competition between the two state associations (for the weekend All-Arounds & Team competition).*

*The column labeled **"WI Points"** represents the Wisconsin only set of accumulative points awarded to Wisconsin's contestants based on their competition with their Wisconsin colleagues. **This is the set of points that will be carried throughout the year in each event for Wisconsin's competitors.***

Minnesota did not hold a cutting during the Holmen rodeo. Therefore, you will see "N/A" listed in both the Team and the Holmen Invitational columns, as the Cutting events did not count towards the weekend's team competition.
